Hello Pastor Tom and Elder Aaron

I just wanted to send you a note to say thank you to you and the Lord for my salvation. I am doing very well. My relationship with the Lord continues to prosper as does my relationship with my wife. I have been attending Calvary Chapel in Tucson and the assistant Pastor is starting a bible study close to where I live. I am looking forward to this as I have so much more to learn of God's word. Please tell everyone that all is well. I cannot thank you enough for the teaching I received and continue to receive from the Lord.

God Bless You All,

Darrell
